1120 Maple Street, Bethlehem City 18018

List Price: \$180,000

Welcome to this spectacular Christmas City end-unit row home. As you enter the home you are greeted with century-old original wood flooring and an open concept layout guiding you from the family room to the kitchen. Plenty of natural light brightens up the space. The spacious kitchen provides for plenty of storage, gas cooking and overlooks the mudroom/laundry. Beyond the mudroom, you will find a fenced-in yard. Upstairs the home features 1 full bathroom and 3-4 bedrooms including the walk-up attic. This home is within walking distance to the local high school and close to all major highways & restaurants. So much value for the money so do not wait as it won't last long.

Directions : turn right onto 3rd Ave, turn right onto W Union Blvd, turn left onto N New St, turn right onto E Fairview St, left onto Maple St home on the right
